

# No.10 SIDMOUTH AVENUE, CLAREMONT - GARDEN CONCEPT

Gazebo/garden structure providing secluded retreat & storage

Laterite pathway

Timber seating inserts around firepit

Lower decked terrace accessed via paved steps with waterfall cascade from Pool terrace into Lower Pool

Border planting with proposed trees to provide privacy and screen from neighbouring property

Pool decked terrace accessed from Mid-terrace via one step with paved borders and walkways. 12m x 4.5m Pool with 2m x 2m Jacuzzi produces sheet of water that flows over northern edge of pool cascading into Lower pool.

Decked Mid-Terrace accessed via two steps from upper terrace

**DESIGN DEVELOPMENT**  
Rear garden composed of numerous levels which fall in north-easterly direction with two grass terraces within eastern portion of garden. Shadow survey from massing model illustrates predominate sunshine around south eastern section of garden which determined location of proposed pool. Main aim to maximise usable space within rear garden with stepped terraced creating simple links between garden spaces.

Paved steps and grass embankment providing access between Lawn terraces

Wild flowers and meadow grass sweeping through Lawn terraces under proposed tree to remove angular shape of garden and existing boundary tree/hedge planting

Paved mowing strip providing step onto Pool Terrace

Paved steps and grass embankment providing access between Upper paved terrace and Lawn terraces

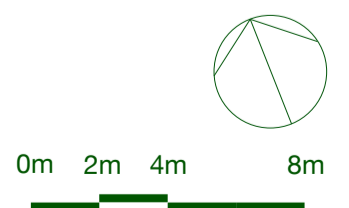

Six 400mm tread steps provide access from house stoep to Upper paved terrace. The third and fourth step create a raised planter under sheltered section of stoep terrace

300mm Raised house border forms similar shape as existing, but with angular lines to compliment form of surrounding retaining walls

Existing brick retaining wall removed and replaced with rendered hollow blockwork wall to match existing. Configured to allow greater access into front driveway, while retaining existing planting

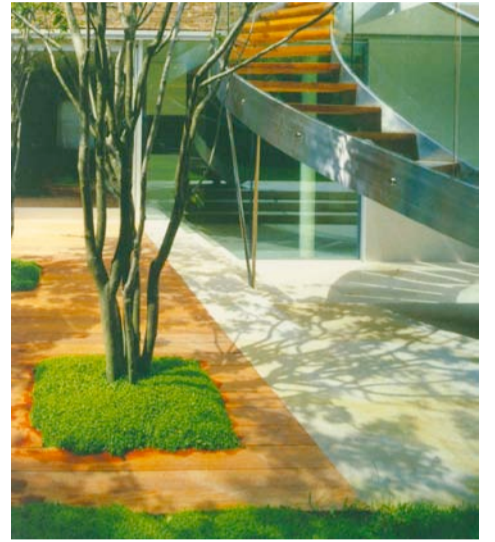

## LEGEND

 Existing trees	 Planting	 Decking/Seating	 Laterite Path
 Proposed trees	 Paving	 Pool/Waterfeature	
 Lawn	 Sett Paving	 Firepit
